Dear Josh,

I was terribly remiss in not writing you right after the concert, to thank you for the tickets and, most of all, thank you for a great show. I knew the piece was superb when I heard the mp3 version, but seeing it live was SO much better (no surprise). My wife and I had a ball. I truly hope and expect the piece to have an afterlife, though no one else could ever play it as well as you and VP [Veretski Pass]. Bravo to you and all involved. See you around!
